## President's Message

HAPPY NEW YEAR TO ALL MY FELLOW QUILTERS!!!

We have all been waiting for a new beginning and light at the end of the tunnel with the 2020 year and Covid 19. So, here we go, 2021, we are ready for good news and a calmer year. Hopefully we will be creative at home without socializing for only a little while longer. I wish for everyone to stay safe and warm for these winter months.

I want to thank all our members, the officers, visitors, etc. that have helped the Guild this past year. Many of you have jumped in when help was needed on committees, programs, community outreach quilts, ticket sales, or when I needed to bounce ideas off someone else's brain.

A BIG Thank You to those who made all the beautiful log cabin cat blocks for me for my year as your President. I love them all!! I hope to put them together this spring and I will let you all see how talented you all are.

We have some great Zoom programs planned and are working on ideas for a Raffle Quilt to be done this year. Please send me an email if you are interested in being on a committee for ideas for the new Raffle quilt.

Michelle Owens donated 30 fleece hats to the Moses Cone Cancer Center in Greensboro for chemo patients. Some of these hats were started at the last Make a Difference Day event. Michelle has tons of fleece and hopes to make and donate more hats soon! Please contact her if you would like the pattern so you can help make hats. And no, she does not want any fleece donations, she has boxes and boxes.

**Special** Note It is the guild's tradition to give a present to the outgoing Guild President. Although Betty Green will be ongoing rather than outgoing, we would still like to give her a present to thank her for her year of hard work and for volunteering to continue as 2021 Guild President.

You have two options to contribute to the present. She can then combine the two options into a beautiful quilt!

Option A) Please donate a fat quarter with either a CAT design or a solid/texture to go with all the cat fabrics she receives!

Option B) Please construct a 12-1/2" log cabin block (finish size 12" square) with the center block as a 4-1/2" fussy cut cat fabric square (finish at 4") and four 1-1/2" logs (finish width 1" logs) on each side.

Betty received a bag full of blocks and fat quarters at the end of our December Meet-Up. She LOVED them! If you would still like to participate feel free to mail your contribution directly to Betty. Thank you!
