Construct a Wonky Star Block

President's Message:

Hello Summer Quilters!

We had an amazing program last month at the Kathleen Price Library. It was provided by our member Sandra Vernon with her beautiful collection of quilts. We were all so amazed with the Wonky Star Pattern Sandra showed us that we will be making squares of the Wonky Star at the July meeting. The squares will be put together for a quilt to be raffled or donated. The Guild will be providing the blue star fabric and pattern for each of us to use. Sandra will guide us in making the stars.

Hello Summer Quilters!

We had an amazing program last month at the Kathleen Price Library. It was provided by our member Sandra Vernon with her beautiful collection of quilts. Here is what you should bring to the meeting:

Supply List for July Wonky Star Project :

Cream colored fabric, ¼ yard or one fat quarter

Portable sewing machine with blue and cream colored threads

Cutting mat with rotary cutter

Ruler, pins, scissors, portable iron and ironing board

Power strip or Extension cord

Some of us are bringing 2 machines and irons so don't worry if you don't have or can't carry yours to the meeting, we will have plenty to use.

Our August program will be presented by our own member, Kathy Haver. For the September program we will need our sewing machines again because we will be making fleece hats and baby car jackets to be donated for cancer patients. We will also need a meeting place starting again in September. If you know of a church or community center that will let us meet once a month for free or a nominal fee, please let me know.

We will also have kits available to be sewn for charity quilts. Some will be for children and some for adults. These will be available to sign out by members -- allowing for two months to sew and return just the top done or the whole quilt done. If you only want to do the top, someone else may volunteer to do the quilting and/or someone else to do the binding. Bring back the large scraps to be used in another project and the pattern to be used again. We want to make as many as we can to donate this Fall to spread the love and keep others warm. Thank you for your support.

Membership News

We extend a warm welcome to our newest members, Kathy and Deloris, and look forward to the unique perspectives they will bring to our group. We are always seeking innovative ways to grow our membership and invite any suggestions for advertising and outreach. Beginning in July there is a special discount on membership fees for the remainder of the year. For members aged 16-69, the fee is now only \$20, and for seniors aged 70 and over, the fee is a mere \$10.

Please mark your calendars for the upcoming meeting, where we can discuss new ideas and enjoy the camaraderie of our community. Your participation is what makes our group thrive.
